

SHARON
Laboratories

IN-COS 2017

HIGHLIGHTS FROM THE SHOW

In-Cosmetics Global in London was a perfect opportunity for us to introduce the new product line Sharomix Amplify, present upgrades to the SharoSENSE range, and continue to promote natural preservation with Biosecur and Biomix products.

Sharomix Amplify

LESS is MORE

- High efficacy blends empowered by the activity of Ethyl Lauroyl Arginate
- Significantly reduced level of use~ 0.5%
- Broad Spectrum, non pH dependant

SharoSENSE

The Best of Nature, Created in a Lab

- Based on the activity of Thymol
- Patent pending
- New blends - no Linalool content
- High efficacy, non pH dependant
