Inspired by Nature

Phenoxyethanol-Free Facial Cream

Inspired by nature, this rich texture, smooth silky facial cream, contains over 98% of Ecocert / Cosmos complies ingredients. Preserved by the innovative solution Sharomix™ AM 24, it allows formulator to incorporate actives (as antiaging, whitening, anti-wrinkle and others), to easily adjust it to a daily luxury treatment cream.

Sharomix™ AM 24 not only eliminates possible irritation of sensitive eye area commonly caused by Phenoxyethanol, but also demonstrates superior antimicrobial activity, allowing significantly lower level of use of 0.5-0.6% and is none pH-dependent. Please ask your Sharon contact person for full challenge test results report of Sharomix™ AM24, at only 0.5%.

Formula # SH.FC.907.51.AM24

Ingredient / INCI Name	Function	% w/w
Phase A		
Deionized Water		Qs 100
Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer	Thickening, texturizing	0.60
Glycerin	Humectant	4.00
Phase B		
Cetearyl Alcohol (and) Cetearyl Glucoside	Emulsifier	5.00
Cetearyl Alcohol	Stabilizer, Viscosity controller agent	3.00
Caprylic/capric triglyceride	Emollient	20.00
Sharomix™ AM24 (Caprylyl glycol, Methylpropanediol, Didecylidimonium Chloride, Polyquaternium-80)	Phenoxyethanol-Free Preservative system	0.60%

Processing instructions:

Heat water to 45-50° C.

Add Phase A ingredients while stirring.

Heat Phase B to 50-60° C while stirring until melted and unified.

Homogenize Phase A & Phase B at approx. 55° C.
