Inspired by Nature

Ecocert / Cosmos Facial Cream

Inspired by nature this silky feeling facial cream is based on Ecocert / Cosmos complies ingredients.

Sharon™ Biomix line offers Ecocert / Cosmos complies preservatives solution, enabling formulator to easily stabilize soft and rich texture, not easily achieved at natural ingredients formulations.

Sharon™ Biomix Pure II (BIOSECUR® & Natural Phenethyl Alcohol) recommended level of use is 0.8-0.9% and does not impact formula stability.

Sharon™ Biomix line provide a perfect Ecocert / Cosmos approved solution, for challenging natural formulations.

Formula # SH.FC.907.52.PUREII

Ingredients / INCI Name	Function	% w/w
Phase A		
Deionized Water		Qs 100
Guar gum	Thickening, texturizing	0.20
Glycerin	Humectant	4.00
Phase B		
Cetearyl Alcohol (and) Cetearyl Glucoside	Emulsifier	5.00
Cetearyl Alcohol	Stabilizer, Viscosity controller agent	3.00
Caprylic/capric triglyceride	Emollient	20.00
Sharon™ Biomix Pure II (Organic citrus extracts, Natural Phenethyl Alcohol)	Natural Preservative system	0.80%

Processing instructions:

Heat water to 45-50° C.

Add Phase A ingredients while stirring until fully dissolved.

Heat Phase B to 50-60° C while stirring until melted and unified.

Homogenize Phase A & Phase B at approx. 55° C.
